1 OBJECT OF THIS CALL

DISSUP projects are small short-term projects with a maximum duration of 6 months and a budget not exceeding 30.000 €. They concern:

- Writing up of papers of STEREO research output not initially foreseen or not yet mature by the end of the project;
- Rendering software written for a specific project accessible for the remote sensing community, e.g. in the framework of the STEREO toolbox;
- Linking of two STEREO projects through comparison of approaches, testing of methodology in study area of other project, joint paper,
- Small dedicated research needed for BELSPO or to support the use of Earth observation in a specific research area where Earth observation is not or hardly used a specific remote sensing field;
- Training grant for scientists in other research laboratory or company;
- Other: funding for dissemination and support ideas not covered by the previous output types can be introduced if properly justified.

2 WHO CAN GET FUNDING?

- Following Belgian organisations qualify for funding of a DISSUP project:
 - Universities
 - Public research institutions
 - Non-profit research institutions

3 BUDGET

- The maximum budget earmarked for DISSUP projects is 30.000€. Dissemination and support projects are granted a lump sum. Projects can be submitted any time before the deadline mentioned in the front page of this document.

4 SUBMISSION

- Proposals should be submitted solely via the form intended for this purpose, which can be accessed via the BELSPO website and the STEREO website <https://eo.belspo.be/en/stereo-iv-programme>
- Applicants are required to meet the conditions set forth in the information documents.
- Proposals should be submitted in English.
- The proposal should be submitted as a Word document to the Belgian Federal Science Policy Office via an email sent to the programme managers schy@belspo.be and vdab@belspo.be.

5 SELECTION

The proposals are evaluated and recommended for funding by the STEREO Programme Board.

The final decision is taken by the President of the Direction Committee of BELSPO based on the recommendation made by the STEREO programme board and the budget available.
