

STEREO III NEWS

The STEREO Team

BEODAY – 8 December 2016

PROGRAMME STRUCTURE

RESEARCH

- STEREO permanent & punctual calls

RESEARCH SUPPORT

- BELAIR site
- Toolbox
- Sensor support

VALORISATION AND SUPPORT

- Websites
- RS images
- Newsletter
- BEODAY

I RESEARCH

- STEREO III calls
 - 2014 - 2016 : three calls – 27 projects
 - 2017 current call. Deadline: 12/12
 - 2018 Exploration projects
- Permanent call: Development of applications. Deadline June 2018

II RESEARCH SUPPORT

- Activities beneficial to the entire Belgian RS community
 - by encouraging collaboration or
 - by making data and software accessible
- Key activities: STEREO Toolbox (LUMOS) and BELAIR site

THE BELAIR PROJECT

AIM

Systematic collection of in situ and RS (airborne and satellite) data over a Belgian multi-site for:

- Joint innovative thematic research to strengthen research capabilities (algorithm development, thematic validation, etc.)
- PhD and MSc theses
- Cal/Val of RS missions and products

CONCEPT

- Belair only finances data collection
- Research to be carried out in framework of ongoing (or future) projects or MSC/ PhD theses

BELAIR 2017

PLANNING

- Evaluation Belair2015 by intern. experts 11/2016
- Recommendations sent to BELAIR partners 11/2016
- Invitation to submit DOI (open to everybody) 12/2016
- Deadline for submission of DOI 01/2017

Only test sites of interest for at least 3 teams eligible

- Kick-off meeting with interested participants 01/2017
- Submission to STEREO authorities 02/2017
- Redaction and signature of contracts 03/2017

III VALORISATION AND SUPPORT (1)

- Merging of websites in a new website
- Newsletter: events, calls, satellites and data, job opportunities...
- Support for workshop and scientific events organized in Belgium
- RS images and APEX data acquired in previous STEREO projects available to all “BELSPO” researchers

III VALORISATION AND SUPPORT (2)

PLEIADES agreement for Belgian institutional users

1. Low cost: new acquisitions ($\pm 4 \text{ €/km}^2$) and archive from Airbus Geostore ($\pm 2,9 \text{ €/km}^2$)
2. For free: Data already acquired by institutional users compiled on the Belgian Pléiades Archive:
<http://pleiades.belspo.be> including 2013 full coverage of Belgium.

<http://eo.belspo.be>

See you next year for the 2017 BEODAY
